Hobbies

Establishing Factions-IL - a gaming community of Minecraft, proliferating to hundreds of monthly users, and monthly profits of thousands of shekels.

Profile

Seeking my first role as a Full-Stack Developer after learning Web Development in a coding bootcamp. I'm diligent and detail-oriented, and constantly working on personal projects.

Education

Full-Stack Bootcamp, Coding Academy

OCTOBER 2023 — FEBRUARY 2024

Learning 640 hours of practical web development through an intense bootcamp by top engineers.

Python Course, Self-Study

SEPTEMBER 2022 — DECEMBER 2022

Self-learning online course to learn Python through exercises in Jupyter Notebooks by Yam Mesicka's initiative.

Projects

AirBin (Inspired by Airbnb)
